2015 ANNUAL MEETING
September 30–October 3 • Caesars Palace

EXHIBIT PROSPECTUS

THE NORTH AMERICAN MENOPAUSE SOCIETY

NAMS
The North American Menopause Society (NAMS) is North America’s leading scientific organization dedicated to promoting the health and quality of life of women through an understanding of menopause and healthy aging. NAMS is also the preeminent resource on all aspects of menopause for both healthcare providers and the public. Its multidisciplinary membership of nearly 2,000 leaders in the field—including clinical and basic science experts from medicine, nursing, sociology, psychology, nutrition, anthropology, epidemiology, pharmacy, and education—reflects the optimal approach to the care of women as they reach menopause and beyond.

The NAMS Board of Trustees and the 2015 Scientific Program Committee invite you to exhibit at the NAMS 2015 Annual Meeting. The meeting promises to deliver a comprehensive scientific program. Included will be expert faculty presentations on the latest research and interpretations of findings for clinical application. More than 1,300 healthcare professionals are expected to attend, representing the key medical thought leaders, decision makers, and educators in their respective fields.

Past meeting evaluations indicate that participants consider the commercial exhibits to be an integral part of the meeting, complementing their learning experience. The NAMS Exhibit Hall is one of the best attended of all exhibit opportunities in women’s healthcare, and dedicated exhibit time has been included throughout the meeting. Don’t miss this unique opportunity to meet and interact with this highly sought-after and influential audience—often only reachable at the NAMS Annual Meeting.
Population Demographics
Menopause affects every woman who reaches her midlife years. Although the average age at menopause in North America is 52, menopause-related changes can start as early as a woman’s 30s and extend through the rest of her life. Not only are an unprecedented number of women reaching menopause—about 6,000 each day in the United States alone—but women are living longer than ever. This makes menopausal health matter more than ever before.

Education
Because the range of menopause information extends through many fields of study, healthcare providers are challenged to distill and interpret the vast amount of scientific data that appears on a daily basis into practical advice that they can use in their professional practices. It is critical that healthcare providers are informed about new and improving technologies, equipment, products, and services in the field of menopause. That information can be found at the commercial exhibits at the NAMS Annual Meeting.

Audience
The meeting provides an opportunity for you to network with today’s power players in the diverse field of menopause management. NAMS meeting attendees are an eager, receptive, and informed audience from every region of the country and around the world. You’ll hear firsthand from top clinicians and researchers regarding their requirements and concerns so that you can provide them with the best professional options. You’ll also be able to build rapport and expand existing relationships by meeting with your current and potential customers.

Recognition
Exhibiting at the NAMS Annual Meeting can build recognition of your company and awareness of your products. It’s the ideal forum for showcasing your products and services to healthcare providers, many of whom can be reached only at this meeting.

Value
Exhibiting is cost effective. Space rates are competitive with other healthcare meetings, and NAMS has not increased booth prices for 2015. An Exhibit Guide listing companies and contact information is provided on-site to attendees—providing a useful reference after the meeting. Exhibiting companies also receive 3 complimentary full registrations per 10’ × 10’ booth so that their representatives can participate in the entire NAMS Meeting (including all food functions)—valued at more than $2,000!

Dedicated Time and Increased Traffic
NAMS offers unopposed, dedicated Exhibit Hall time throughout the meeting, allowing ample time for attendees to visit the exhibits. The Thursday evening reception, as well as the Thursday and Friday morning and afternoon refreshment breaks, are all located in the Exhibit Hall, helping to increase Hall traffic.

Convenience and Flair
Caesars Palace reigns at the heart of the Las Vegas strip, offering superb guest rooms, premium meeting and convention facilities, and a location just one mile from McCarran International Airport. With a winning combination of world-class entertainment and unparalleled dining options, visitors to Las Vegas will see why it continues to remain the nation’s No.1 convention destination.

**Booth Staffing**
As a courtesy to meeting attendees and fellow exhibitors, exhibits must be staffed and operational at all times when the Exhibit Hall is officially open, including during the evening reception (see Exhibit Hall Hours, page 4). Any exhibitor vacating a booth before the closing of each day may jeopardize future participation.

**Exhibitor Registration Procedure**
Admittance to the Exhibit Hall or scientific sessions will be by badge only. A badge can be obtained only by registering with NAMS. All exhibitors must wear the appropriate badge as issued by NAMS. Exhibitor Registration Forms will be distributed in advance of the meeting. NAMS requests that a form be completed in advance because preregistration will greatly expedite the registration process. Exhibitor badges provide company representatives with admittance to not only the Exhibit Hall but also to the General Session, Supported Plenary Symposia, and all food and social events. In addition to the complimentary badges provided on the basis of booth size, additional badges for bona fide company representatives may be purchased for a fee of $100 per badge. Each representative will be required to present a company business card in order to pick up a badge. Badges cannot be picked up by colleagues.

The NAMS Registration Desk will be open to assist registrants, including exhibitors, during the following times:

- **Tuesday, September 29** 6:00 PM - 8:00 PM
- **Wednesday, September 30** 7:00 AM - 7:00 PM
- **Thursday, October 1** 7:00 AM - 5:30 PM
- **Friday, October 2** 7:00 AM - 5:30 PM
- **Saturday, October 3** 7:00 AM - 12:45 PM

**Hotel Reservations**
NAMS has secured a block of rooms at Caesars Palace, the location of the meeting. Hotel reservation information will be distributed under separate cover to each exhibiting company. The Society requests that all exhibitors stay in the meeting hotel.

**Dismantling and Booth Tear Down Policy**
Absolutely no packing of equipment or literature or dismantling of exhibits will be permitted until 3:00 PM on Friday, October 2. Early packing or dismantling shall be considered a breach of the Exhibit Agreement and may preclude future participation.

**Standard Booth Equipment**
Each standard booth includes an 8’ high back drape and 3’ high side drape. An exhibit identification sign (7” × 44") displays the company name.

**Carpeting and In-House Services**
The Exhibit Hall is carpeted. Exhibitors are welcome to purchase custom carpeting for their space. Electrical services are available throughout the hall.

**Exhibit Specifications**
All exhibits must be freestanding and self-supporting. Linear configurations may not be designed to obstruct the view of nearby booths or to block exits or doorways. All display fixtures more than 4’ in height and placed within 10’ of an adjoining exhibit must be confined to that area of the exhibitor’s space that is at least 5’ from the aisle line. The height limit for all displays is 16’. Hanging signs are not permitted. No exceptions to these rules will be made.

**Official Service Contractor**
NAMS has designated GES as the official service contractor for the 2015 Annual Meeting.

**Exhibitor-Appointed Contractors**
Exhibitors may elect to use an exhibitor-appointed contractor. All contractors must adhere to all rules and regulations established by NAMS. Exhibitors will be held responsible for any violation of NAMS policy. All exhibitors must forward a letter of intent to NAMS designating their contractor by September 9, 2015.

**Security**
NAMS strives to protect exhibitors and their property by providing general security for the Exhibit Hall on a 24-hour basis beginning with move-in and continuing until all freight has been removed at the end of the meeting. NAMS will not, however, assume responsibility for theft, damage, or loss of any kind.

**Program and Exhibitor Recognition**
The Exhibit Guide in the Meeting Program will be distributed on-site to all attendees and exhibitors. In addition to featuring scientific content and events, the program will recognize exhibiting companies confirmed as of the date of printing. Those companies who choose to sponsor an event or provide an educational grant will receive further recognition.
Sales and Order Taking
To help companies maximize their exhibiting opportunity, sales and order taking are allowed on the exhibit floor unless prohibited by law. All transactions must be consistent with the professional nature of the meeting. It is the sole responsibility of the exhibiting company to acquire any licenses or permits as may be required and adhere to all sales tax issues, keeping in mind that regulations vary from state to state. NAMS reserves the right to restrict sales activities that it deems inappropriate or unprofessional.

Giveaways, Celebrity Appearances, Booth Activity
Giveaways must be approved in advance by NAMS before August 31, 2015. Please note that the NAMS logo is the exclusive property of NAMS and may not be used on any giveaway. Samples to be distributed will be limited to items in the professional interests of the registrants. All requests for celebrity appearances in an exhibiting company’s booth must be submitted for approval to NAMS before August 31, 2015. Any company planning to have a celebrity appear in its booth must purchase adequate booth space to house the celebrity, company representatives, and meeting attendees. No lines will be allowed to form in the aisles or in another exhibitor’s booth.

Food and Beverage
Food and/or beverage items may be distributed from an exhibitor’s booth with prior approval by NAMS. Requests for approval must be submitted to NAMS before August 31, 2015.

FDA Regulations
Exhibitors are reminded of the restrictions of FDA on the promotion of investigational and preapproved drugs and devices. According to FDA, any mention of a product name that is accompanied by information on usage and indications will be viewed as a product advertisement and must comply with full disclosure requirements.

Public Relations
Distribution of corporate press releases is permitted in the NAMS Press Room for releases approved in advance by NAMS before August 31, 2015. No solicitations to registered press is permitted.

Unauthorized Solicitations
No organization or its representatives may display, demonstrate, or distribute its products and/or services in any location other than in its designated exhibit booth. Displaying of promotional advertisements, distribution of printed materials, and solicitation of orders outside the Exhibit Hall is strictly prohibited. Any violations should be reported to the NAMS staff located at the Registration Desk.

Unofficial Social and Educational Activities
NAMS strongly discourages industry-sponsored activities at its Annual Meeting that are not official NAMS offerings. Exhibiting companies may apply to NAMS for permission to hold their activities, provided they do not conflict with any NAMS event.

Photography and Videotaping
The taking of photographs or videotaping at the NAMS Annual Meeting, other than by the official NAMS photographer, is strictly prohibited. NAMS reserves the right to photograph or videotape an exhibit for use in NAMS publications.

Children
For the protection of children and in order to maintain the scientific nature of the exhibits, no children younger than 18 years old (with the exception of infants) will be allowed in the Exhibit Hall during show hours. Strollers are not permitted in the Exhibit Hall at any time.

NAMS EXHIBIT RULES AND REGULATIONS

These rules together with the Exhibit Prospectus shall be deemed the regulations ("regulations") and are a bona fide part of the contract for exhibit space at the 2015 Annual Meeting of The North American Menopause Society (NAMS) (the exhibit hereinafter referred to as the "Show"), which is managed by NAMS, the Show’s owner and sponsor. NAMS reserves the sole right to amend, render all interpretations, and enforce these regulations to assure the general success and well-being of the Show. Each exhibitor, for itself, its authorized representatives, its employees, and its contractors, agrees to abide by these regulations and the Exhibit Prospectus and by any amendments or additions hereafter made by NAMS.

1. Selection of Exhibitors—NAMS reserves the right to accept or reject a potential exhibitor on the basis of its assessment of whether that company/organization's products and/or services are relevant to NAMS members and meeting attendees, in its sole judgment. Further, NAMS reserves the right to reject an application from an exhibitor whose displays, printed matter, and/or promotional materials contain false or misleading claims that are not in compliance with federal or state law or regulations.

2. Valid Contract for Space—Applicants for exhibit space are required to submit an Exhibit Space Application to NAMS for the 2015 Annual Meeting.

3. Payment for Space—The Exhibit Prospectus establishes rules for payment for the space. Any deviations from this provision, including but not limited to acceptance by NAMS or any late payments specified herein, shall not be construed as a waiver of NAMS’s rights to cancel the exhibit contract for such noncompliance, reassign booth space, take possession of said space without refund or further notification, and lease the space to others on such terms and conditions as it deems proper or otherwise be construed as a modification of any schedule of payments required hereunder.

4. Booth Construction and Limitations—All exhibits must conform to the standards provided in the Exhibit Prospectus. NAMS reserves the right to insist on a properly constructed and operated display in the interest of all participating exhibitors. Displays not conforming to NAMS’s specifications and limitations may be dismantled or modified, at exhibitor's expense, in the sole judgment and discretion of NAMS.

5. Exhibits and Public Policy—Each exhibitor is charged with knowledge of all Federal, State, County, and City laws, ordinances, and regulations pertaining to health, fire prevention, and public safety while participating in the Show.

All booth decorations, including carpeting, must be flameproof. Butane or bottled gas is not permitted. Electrical wiring must conform to national Electrical Code Safety Rules. If inspection indicates any exhibitor has neglected to comply with these regulations, or otherwise incurs a fire hazard, the right is reserved to cancel all or such part of its exhibit as may be irregular and effect the removal of same at exhibitor’s expense. Exhibits must comply with all City and State fire regulations.

No part of the hotel shall be defaced in any manner, nor shall signs or other articles be posted, nailed, taped, or otherwise affixed to any pillars, doors, walls, or other parts of the hotel. All exits, hallways, aisles, and fire-control apparatus must remain clear and unobstructed at all times. No smoking is allowed at any time. Any exhibitor who makes any claim or advertisements at the Show in any way that, in the sole opinion of NAMS, is false, misleading, or otherwise unlawful or against public policy may, in the sole discretion of NAMS, be required to discontinue such claim or advertising. Failure on the part of the exhibitor to discontinue such claim or advertising when requested to do so by NAMS at the Show shall result in the closure of the exhibit. In such event, no refunds will be made to exhibitor.

6. Non-Liability—It is expressed, understood, and agreed by each and every contracting exhibitor, its agents, and guests that neither the NAMS 2015 Annual Meeting owners, management, nor employees or contractors shall be liable for loss or damage to the goods or properties of exhibitors. At all times, such goods and properties shall remain in the sole possession, custody, and control of each exhibitor.

By executing the Exhibit Space Application, the exhibitor releases and agrees to defend and indemnify the NAMS 2015 Annual Meeting, its owners, managers, trustees, officers, sponsors, employees, and agents, and save them harmless from any suit or claim, including attorneys’ fees, for property damage or personal injury by whomsoever sustained, including exhibitor and its agents or employees, on or about the exhibitor’s display space or arising out of exhibitor’s participation in the Show. In the event of Show cancellation, due to partial or total destruction of the premises by fire, hurricane, acts of God, strikes, authority of law, or any other cause beyond the control of NAMS, NAMS assumes no liability for the loss of business or fulfillment of the contract for space. NAMS will reimburse exhibitor pro rata on amounts paid, less any and all legitimate expenses incurred by NAMS at NAMS’s discretion due to Show cancellation.

7. Non-Waiver—NAMS shall not be deemed to waive any of its rights hereunder, unless such waiver is explicitly stated as a waiver in writing and signed by NAMS. No delay or omission by NAMS in exercising any of its rights shall operate as a waiver of such rights, and a waiver of rights in writing on one occasion shall not be construed as a consent to or a waiver of any right or remedy on any future occasion.

8. Use of Certain Property—Exhibitor will assume all costs arising from the use of patented, trademarked, franchised materials, devices, processes, or dramatic rights used on or incorporated in the exhibitor’s space. Exhibitor shall indemnify, defend, and hold harmless NAMS and its officers, trustees, members, agents, and employees from and against all claims, demands, suits, liabilities, damages, losses, costs, attorneys’ fees, and expenses of whatever kind or nature, that might result from or arise out of use of any such material(s) described above.

NOTICE

Unattended freight in any display space as of one hour prior to show opening on Thursday, October 1, 2015, will be removed and stored at the exhibitor’s expense. Exhibitors are not permitted to store packing crates or boxes in the booth during Show hours but these, when properly marked, will be stored and returned to the booth by the exhibit service contractor. Crates not properly marked or identified by exhibitors may be destroyed or lost and are the sole responsibility of the exhibitor. Exhibit materials left unattended midnight on Friday, October 2, 2015, and for which no shipping arrangements have been made, will be considered abandoned. NAMS will arrange for disposal or return of these materials at the exhibitor’s expense, and neither NAMS, the exhibit service contractor, nor Caesars Palace shall assume any liability whatsoever for loss or damage.
