The North American Menopause Society (NAMS) is North America's leading scientific organization dedicated to promoting the health and quality of life of women through an understanding of menopause and healthy aging. NAMS is also the preeminent resource on all aspects of menopause for both healthcare providers and the public. Its multidisciplinary membership of over 2,000 leaders in the field—including clinical and basic science experts from medicine, nursing, sociology, psychology, nutrition, anthropology, epidemiology, pharmacy, and education—reflects the optimal approach to the care of women as they reach menopause and beyond.

The NAMS Board of Trustees and the 2021 Scientific Program Committee invite you to exhibit at the NAMS 2021 Annual Meeting. The meeting promises to deliver a comprehensive scientific program. Included will be expert faculty presentations on the latest research and interpretations of findings for clinical application. More than 1,200 healthcare professionals are expected to attend, representing the key medical thought leaders, decision makers, and educators in their respective fields.

Past meeting evaluations indicate that participants consider the commercial exhibits to be an integral part of the meeting, complementing their learning experience. The NAMS Exhibit Hall is one of the best attended of all exhibit opportunities in women's healthcare, and dedicated exhibit time has been included throughout the meeting. Don’t miss this unique opportunity to meet and interact with this highly sought-after and influential audience—often only reachable at the NAMS Annual Meeting.
Population Demographics
Menopause affects every woman who reaches her midlife years. Although the median age of menopause in North America is 52, menopause-related changes can start as early as a woman’s 30s and extend through the rest of her life. Not only are an unprecedented number of women reaching menopause—about 6,000 each day in the United States alone—but women are living longer than ever. This makes menopause health more important than ever before.

Education
Because the range of menopause information extends through many fields of study, healthcare providers are challenged to distill and interpret the vast amount of scientific data that appears on a daily basis into practical advice that they can use in their professional practices. It is critical that healthcare providers are informed about new and improving technologies, equipment, products, and services in the field of menopause. That information can be found at the commercial exhibits at the NAMS Annual Meeting.

Audience
The meeting provides an opportunity for you to network with today’s power players in the diverse field of menopause management. NAMS meeting attendees are an eager, receptive, and informed audience from every region of the country and around the world. You’ll hear firsthand from top clinicians and researchers regarding their requirements and concerns so that you can provide them with the best professional options. You’ll also be able to build rapport and expand existing relationships by meeting with your current and potential customers.

Recognition
Exhibiting at the NAMS Annual Meeting can build recognition of your company and awareness of your products. It’s the ideal forum for showcasing your products and services to healthcare providers, many of whom can be reached only at this meeting.

Value
Exhibiting is cost effective. Space rates are competitive with other healthcare meetings, and NAMS has not increased booth prices for 2021. An Exhibit Guide listing companies and contact information is available to attendees—providing a useful reference after the meeting. Exhibiting companies also receive 3 complimentary full registrations per 10’ × 10’ booth so that their representatives can participate in the entire NAMS Meeting (including all food functions)—valued at more than $2,300!

Dedicated Time and Increased Traffic
NAMS offers unopposed, dedicated Exhibit Hall time throughout the meeting, allowing ample time for attendees to visit the exhibits. The Thursday evening reception, as well as the Thursday and Friday morning and afternoon refreshment breaks, are all located in the Exhibit Hall, helping to increase Hall traffic.

Convenience and Location
Every educational offering and social event of the NAMS 2021 Annual Meeting is conveniently located in the Washington Hilton Hotel. The hotel is just six miles from Washington National Airport.

First-round booth assignments will be made by July 1, 2021. Applications for space received after the initial space assignment date will have space allocated on a first-come, first-served basis. All applications must be submitted on the form on pages 9 and 10. Primary consideration in the assignment of space to exhibitors shall be in the best interest of NAMS.

NAMS may, at its discretion, accept or reject any application for space and reserves the right to relocate or reassign exhibit booths at any time for the overall benefit of the meeting.

Cancellation and Refund Policy
Written notice of cancellation received by NAMS before June 30, 2021, entitles an exhibitor to receive a refund of all fees paid, less a 10% processing fee of total booth space reserved. If space is reduced, the net reduction of space will be treated as a cancellation of space.

No refunds will be made for cancellations received after June 30, 2021. NAMS reserves the right to resell any cancelled space without notification to the cancelling party.

No meeting registrations will be provided to exhibitors who cancel their exhibit spaces, regardless of when they cancel.

Exhibitor Registration Procedure
Admittance to the Exhibit Hall or scientific sessions is by badge only. A badge can be obtained only by registering with NAMS. All exhibitors must wear the badge issued by NAMS. Exhibitor Registration Forms will be distributed in advance of the meeting. Exhibitor badges provide company representatives with admittance to the Exhibit Hall and also to the Sessions and all food and social events. In addition to the complimentary badges provided on the basis of booth size, additional badges for bona fide company representatives may be purchased for a fee of $150 per badge. Each representative will be required to present a company business card in order to pick up a badge. Badges cannot be picked up by colleagues.

The NAMS Registration Desk will be open to assist registrants, including exhibitors, during the following times:

It is the sole responsibility of the exhibiting company to acquire any licenses or permits as may be required and to adhere to all sales tax issues, keeping in mind that regulations vary from state to state. NAMS reserves the right to restrict sales activities that it deems inappropriate or unprofessional.

The taking of photographs or videotaping at the NAMS Annual Meeting, other than by the official NAMS photographer, is strictly prohibited. NAMS reserves the right to photograph or videotape an exhibit for use in NAMS publications.

**NAMS Exhibit Rules and Regulations**

These rules together with the Exhibit Prospectus shall be deemed the regulations ("regulations") and are a bona fide part of the contract for exhibit space at the 2021 Annual Meeting of The North American Menopause Society (NAMS) (the exhibit hereinafter referred to as the "Show"), which is managed by NAMS, the Show’s sponsor. NAMS reserves the sole right to amend, render all interpretations, and enforce these regulations to assure the general success and well-being of the Show. Each exhibitor, for itself, its authorized representatives, its employees, and its contractors, agrees to abide by these regulations and the Exhibit Prospectus and by any amendments or additions hereafter made by NAMS.

1. **Selection of Exhibitors**—NAMS reserves the right to accept or reject a potential exhibitor on the basis of its assessment of whether that company/organization’s products and/or services are relevant to NAMS members and meeting attendees, in its sole judgment. Further, NAMS reserves the right to reject an application from an exhibitor whose displays, printed matter, and/or promotional materials contain false or misleading claims that are not in compliance with federal or state law or regulations.

2. **Valid Contract for Space**—Applicants for exhibit space are required to submit an Exhibit Space Application to NAMS for the 2021 Annual Meeting.

3. **Payment for Space**—The Exhibit Prospectus establishes rules for payment for the space. Any deviations from this provision, including but not limited to acceptance by NAMS or any late payments specified herein, shall not be construed as a waiver of NAMS’s rights to cancel the exhibit contract for such noncompliance, reassign booth space, take possession of said space without refund or further notification, and lease the space to others on such terms and conditions as it deems proper or otherwise be construed as a modification of any schedule of payments required hereunder.

4. **Booth Construction and Limitations**—All exhibits must conform to the standards provided in the Exhibit Prospectus. NAMS reserves the right to insist on a properly constructed and operated display in the interest of all participating exhibitors. Displays not conforming to NAMS’s specifications and limitations may be dismantled or modified, at exhibitor’s expense, in the sole judgment and discretion of NAMS.

5. **Exhibits and Public Policy**—Each exhibitor is charged with knowledge of all Federal, State, County, and City laws, ordinances, and regulations pertaining to health, fire prevention, and public safety while participating in the Show.

All booth decorations, including carpeting, must be flameproof. Butane or bottled gas is not permitted. Electrical wiring must conform to national Electrical Code Safety Rules. If inspection indicates any exhibitor has neglected to comply with these regulations, or otherwise incurs a fire hazard, the right is reserved to cancel all or such part of its exhibit as may be irregular and effect the removal of same at exhibitor’s expense. Exhibits must comply with all City and State fire regulations.

No part of the hotel shall be defaced in any manner, nor shall signs or other articles be posted, nailed, taped, or otherwise affixed to any pillars, doors, walls, or other parts of the hotel. All exits, hallways, aisles, and fire-control apparatus must remain clear and unobstructed at all times. No smoking is allowed at any time. Any exhibitor who makes any claim or advertisements at the Show in any way that, in the sole opinion of NAMS, is false, misleading, or otherwise unlawful or against public policy may, in the sole discretion of NAMS, be required to discontinue such claim or advertising.

Consistent with NAMS’s reservation of rights set forth in paragraph 1, any exhibitor who makes claims or advertisements at the Show in any way that, in the sole opinion of NAMS, is false, misleading, or otherwise unlawful or against public policy may, in the sole discretion of NAMS, be required to discontinue such claim or advertising. Failure on the part of the exhibitor to discontinue such claim or advertising when requested to do so by NAMS at the Show shall result in the closure of the exhibit. In such event, no refunds will be made to exhibitor.

6. **Non-Liability**—It is expressed, understood, and agreed by each and every contracting exhibitor, its agents, and guests that neither the NAMS 2021 Annual Meeting officers, trustees, members, agents, employees, nor the hotel shall be liable for loss or damage to the goods or properties of exhibitors. At all times, such goods and properties shall remain in the sole possession, custody, and control of each exhibitor.

By executing the Exhibit Space Application, the exhibitor releases and agrees to defend and indemnify the NAMS 2021 Annual Meeting, its officers, managers, trustees, officers, sponsors, employees, and agents, and save them harmless from any suit or claim, including attorneys’ fees, for property damage or personal injury by whomsoever sustained, including exhibitor and its agents or employees, on or about the exhibitor’s display space or arising out of exhibitor’s participation in the Show, except to the degree of negligence of NAMS 2021 Annual Meeting, its officers, trustees, members, agents, employees, and the hotel. In the event of Show cancellation, due to partial or total destruction of the premises by fire, hurricane, acts of God, strikes, authority of law, or any other cause beyond the control of NAMS, NAMS assumes no liability for the loss of business or fulfillment of the contract for space. NAMS will reimburse exhibitor pro rata on amounts paid, less any and all legitimate expenses incurred by NAMS at NAMS’s discretion due to Show cancellation.

7. **Non-Waiver**—NAMS shall not be deemed to waive any of its rights hereunder, unless such waiver is explicitly stated as a waiver in writing and signed by NAMS. No delay or omission by NAMS in exercising any of its rights shall operate as a waiver of such rights, and a waiver of rights in writing on one occasion shall not be construed as a consent to or a waiver of any right or remedy on any future occasion.

8. **Use of Certain Property**—Exhibitor will assume all costs arising from the use of patented, trademarked, franchised materials, devices, processes, or dramatic rights used on or incorporated in the exhibitor’s space. Exhibitor shall indemnify, defend, and hold harmless NAMS and officers, trustees, members, agents, employees, and the hotel from and against all claims, demands, suits, liabilities, damages, losses, costs, attorneys’ fees, and expenses of whatever kind or nature, that might result from or arise out of use of any such material(s) described above.
