Registration Fee Discount for Annual Meeting

A contributing factor to the overall success of the 2009 NAMS Annual Meeting is having registrants book their accommodations at the Manchester Grand Hyatt Hotel, the site of the NAMS meeting. The Society is pleased to offer a discounted registration fee to all those staying within the NAMS block of rooms at the Hyatt. This discount is provided so that NAMS can meet its contract obligations with the Hyatt, avoiding significant financial penalties, which ultimately permits NAMS to continue to maintain an affordable registration fee to attend its Annual Meetings. For those selecting the discounted rate, your hotel reservation will be verified at the time of the meeting. Anyone not listed as staying at the Hyatt will automatically be charged the difference in the registration fee after the meeting. Those residing within 75 miles of the Hyatt are not required to stay within the Hyatt to receive the discounted registration rate.
