The Menopause Society is North America’s leading scientific organization dedicated to empowering healthcare professionals to improve the health of women during the menopause transition and beyond. The Society is also the preeminent resource on all aspects of menopause for both healthcare providers and the public. Its multidisciplinary membership of over 4,000 leaders in the field—including clinical and basic science experts from medicine, nursing, sociology, psychology, nutrition, anthropology, epidemiology, pharmacy, and education—reflects the optimal approach to the care of women as they reach menopause and beyond.

The Menopause Society Board of Trustees and the 2024 Scientific Program Committee invite you to exhibit at the 2024 Annual Meeting. The meeting promises to deliver a comprehensive scientific program. Included will be expert faculty presentations on the latest research and interpretations of findings for clinical application. More than 1,400 healthcare professionals are expected to attend in person, representing the key medical thought leaders, decision makers, and educators in their respective fields.

Past meeting evaluations indicate that participants consider the commercial exhibits to be an integral part of the meeting, complementing their learning experience. The Exhibit Hall is one of the best attended of all exhibit opportunities in women’s healthcare, and dedicated exhibit time has been included throughout the meeting. Don’t miss this unique opportunity to meet and interact with this highly sought-after and influential audience—often only reachable at The Menopause Society Annual Meeting.
Population Demographics

Menopause affects every woman who reaches her midlife years. Although the median age of menopause in North America is 52, menopause-related changes can start as early as a woman’s 30s and extend through the rest of her life. Not only are an unprecedented number of women reaching menopause—about 6,000 each day in the United States alone—but women are living longer than ever. This makes menopause health more important than ever before.

Education

Because the range of menopause information extends through many fields of study, healthcare providers are challenged to distill and interpret the vast amount of scientific data that appears on a daily basis into practical advice that they can use in their professional practices. It is critical that healthcare providers are informed about new and improving technologies, equipment, products, and services in the field of menopause. That information can be found at the commercial exhibits at The Menopause Society Annual Meeting.

Audience

The meeting provides an opportunity for you to network with today’s power players in the diverse field of menopause management. The Menopause Society meeting attendees are an eager, receptive, and informed audience from every region of the country and around the world. You’ll hear firsthand from top clinicians and researchers regarding their requirements and concerns so that you can provide them with the best professional options. You’ll also be able to build rapport and expand existing relationships by meeting with your current and potential customers.

Recognition

Exhibiting at The Menopause Society Annual Meeting can build recognition of your company and awareness of your products. It’s the ideal forum for showcasing your products and services to healthcare providers, many of whom can be reached only at this meeting.

Value

Exhibiting is cost effective. Space rates are competitive with other healthcare meetings, and booth prices have not increased for 2024. An Exhibit Guide listing companies and contact information is available to attendees—providing a useful reference after the meeting. Exhibiting companies also receive 3 complimentary exhibitor registrations per 10’ × 10’ booth. Exhibitor badges allow booth staff to participate in the entire Meeting (including all food functions)—valued at more than $2,300!

Dedicated Time & Increased Traffic

The Menopause Society offers unopposed, dedicated Exhibit Hall time throughout the meeting, allowing ample time for attendees to visit the exhibits. The Thursday evening reception, as well as the Thursday and Friday morning and afternoon refreshment breaks, are all located in the Exhibit Hall, helping to increase Hall traffic.

Convenience and Location

Every educational offering and social event of the 2024 Annual Meeting is conveniently located in the Hyatt Regency Chicago.

First-round booth assignments will be made by July 1, 2024. Applications for space received after the initial space assignment date will have space allocated on a first-come, first-served basis. All applications must be submitted on the form on pages 9 and 10. Primary consideration in the assignment of space to exhibitors shall be in the best interest of The Menopause Society.

The Menopause Society may, at its discretion, accept or reject any application for space and reserves the right to relocate or reassign exhibit booths at any time for the overall benefit of the meeting.

New Exhibitors

A first-time exhibit company receives $500 off its booth rate, provided that its contract and payment are received by June 15, 2024. Discount applies to only one booth per company. The Menopause Society will confirm that the company has not exhibited in the past.

Cancellation and Refund Policy

Written notice of cancellation received by The Menopause Society before June 30, 2024, entitles an exhibitor to receive a refund of all fees paid, less a 10% processing fee of total booth space reserved. If space is reduced, the net reduction of space will be treated as a cancellation of space. No refunds will be made for cancellations received after June 30, 2024. The Menopause Society reserves the right to resell any cancelled space without notification to the cancelling party.

No meeting registrations will be provided to exhibitors who cancel their exhibit spaces, regardless of when they cancel. No refunds for additional exhibitor registrations will be provided.

Payment Schedule

A 50% deposit is due with contracts received by June 15, 2024. Notification of booth assignments and balances due will be sent by July 1, 2024. Full payment is due by August 1, 2024. Contracts received after June 15, 2024, must be accompanied by payment in full. If payment is not received by August 1, 2024, no recognition in published materials will be available to the exhibitor. Exhibits must be staffed and operational at all times when the Exhibit Hall is officially open, including during scientific sessions and the evening reception (see Exhibit Hall Hours, page 4). Any exhibitor vacating a booth before the closing of each day may jeopardize future participation.

Exhibitor Registration Procedure

Admittance to the Exhibit Hall or scientific sessions is by badge only. A badge can be obtained only by registering with The Menopause Society. All exhibitors must wear the badge issued by the Society. Exhibitor registration details will be sent in advance of the meeting. Exhibitor badges provide company representatives with admittance to the Exhibit Hall and also to the Sessions and all food and social events. In addition to the exhibitor badges provided on the basis of booth size, additional badges for bona fide company representatives may be purchased for a fee of $150 per badge. Each representative will be required to present a company business card in order to pick up a badge. Badges cannot be picked up by colleagues. There are no refunds after August 15, 2024 for any additional exhibitor badges purchased.

Exhibit Rules and Regulations

These rules together with the Exhibit Prospectus shall be deemed the regulations (“regulations”) and are a bona fide part of the contract for exhibit space at the 2024 Annual Meeting of The Menopause Society (the Society) (the exhibit hereinafter referred to as the “Show”), which is managed by the Society, the Show’s sponsor. The Society reserves the sole right to amend, render all interpretations, and enforce these regulations to assure the general success and well-being of the Show. Each exhibitor, for itself, its authorized representatives, its employees, and its contractors, agrees to abide by these regulations and the Exhibit Prospectus and by any amendments or additions hereafter made by the Society.

1. Selection of Exhibitors—The Society reserves the right to accept or reject a potential exhibitor on the basis of its assessment of whether that company/organization’s products and/or services are relevant to the Society members and meeting attendees, in its sole judgment. Further, the Society reserves the right to reject an application from an exhibitor whose displays, printed matter, and/or promotional materials contain false or misleading claims that are not in compliance with federal or state law or regulations.

2. Valid Contract for Space—Applicants for exhibit space are required to submit an Exhibit Space Application to the Society for the 2024 Annual Meeting.

3. Payment for Space—The Exhibit Prospectus establishes rules for payment for the space. Any deviations from this provision, including but not limited to acceptance by the Society or any late payments specified herein, shall not be construed as a waiver of the Society’s rights to cancel the exhibit contract for such noncompliance, reassign booth space, take possession of said space without refund or further notification, and lease the space to others on such terms and conditions as it deems proper or otherwise be construed as a modification of any schedule of payments required hereunder.

4. Booth Construction and Limitations—All exhibits must conform to the standards provided in the Exhibit Prospectus. The Society reserves the right to insist on a properly constructed and operated display in the interest of all participating exhibitors. Displays not conforming to the Society’s specifications and limitations may be dismantled or modified, at the exhibitor’s expense, in the sole judgment and discretion of the Society.

5. Exhibits and Public Policy—Each exhibitor is charged with knowledge of all Federal, State, County, and City laws, ordinances, and regulations pertaining to health, fire prevention, and public safety while participating in the Show. All booth decorations, including carpeting, must be flameproof. Butane or bottled gas is not permitted. Electrical wiring must conform to national Electrical Code Safety Rules. If inspection indicates any exhibitor has neglected to comply with these regulations, or otherwise incurs a fire hazard, the right is reserved to cancel all or such part of its exhibit as may be irregular and effect the removal of same at exhibitor’s expense. Exhibits must comply with all City and State fire regulations.

No part of the hotel shall be defaced in any manner, nor shall signs or other articles be posted, nailed, taped, or otherwise affixed to any pillars, doors, walls, or other parts of the hotel. All exits, hallways, aisles, and fire-control apparatus must maintain clear and unobstructed at all times. No smoking is allowed at any time. Any exhibitor who makes any claim or advertises at the Show in any way that, in the sole opinion of the Society, is false, misleading, or otherwise unlawful or against public policy may, in the sole discretion of the Society, be required to discontinue such claim or advertising.

Consistent with the Society’s reservation of rights set forth in paragraph 1, any exhibitor who makes claims or advertises at the Show in any way that, in the sole opinion of the Society, is false, misleading, or otherwise unlawful or against public policy may, in the sole discretion of the Society, be required to discontinue such claim or advertising. Failure on the part of the exhibitor to discontinue such claim or advertising when requested to do so by the Society at the Show shall result in the closure of the exhibit. In such event, no refunds will be made to exhibitor.

6. Non-Liability—It is expressly understood, and agreed by each and every contracting exhibitor, its agents, and guests that neither the Society 2024 Annual Meeting officers, trustees, members, agents, employees, nor the hotel shall be liable for loss or damage to the goods or properties of exhibitors. At all times, such goods and properties shall remain in the sole possession, custody, and control of each exhibitor.

By executing the Exhibit Space Application, the exhibitor releases and agrees to defend and indemnify the Society 2024 Annual Meeting, its owners, managers, trustees, officers, sponsors, employees, and agents, and save them harmless from any suit or claim, including attorneys’ fees, for property damage or personal injury by whomsoever sustained, including exhibitor and its agents or employees, on or about the exhibitor’s display space or arising out of exhibitor’s participation in the Show, except to the degree of negligence of the Society 2024 Annual Meeting, its officers, trustees, members, agents, employees, and the hotel. In the event of Show cancellation, due to partial or total destruction of the premises by fire, hurricane, acts of God, strikes, authority of law, or any other cause beyond the control of the Society, the Society assumes no liability for the loss of business or fulfillment of the contract for space. The Society will reimburse exhibitor pro rata on amounts paid, less any and all legitimate expenses incurred by the Society at the Society’s discretion due to Show cancellation.

7. Non-Waiver—The Society shall not be deemed to waive any of its rights hereunder, unless such waiver is explicitly stated as a waiver in writing and signed by the Society. No delay or omission by the Society in exercising any of its rights shall operate as a waiver of such rights, and a waiver of rights in writing on one occasion shall not be construed as a consent to or a waiver of any right or remedy on any future occasion.

8. Use of Certain Property—Exhibitor will assume all costs arising from the use of patented, trademarked, franchised materials, devices, processes, or dramatic rights used on or incorporated in the exhibitor’s space. Exhibitor shall indemnify, defend, and hold harmless the Society and officers, trustees, members, agents, employees, and the hotel from and against all claims, demands, suits, liabilities, damages, losses, costs, attorneys’ fees, and expenses of whatever kind or nature, that might result from or arise out of use of any such material(s) described above.
