Registration Fee Discount for Annual Meeting

NAMS is pleased to offer a discounted registration fee to all those staying within the NAMS block of rooms at the Hyatt Regency. This discount is provided so that NAMS can meet its contractual obligations with the hotel, avoiding significant financial penalties, which ultimately permits NAMS to continue to maintain an affordable registration fee for its Annual Meetings. For those selecting the discounted rate, your hotel reservation will be verified at the time of the meeting. Anyone not listed as staying at the hotel will automatically be charged the difference in the registration fee after the meeting. Those residing within 75 miles of the hotel are not required to stay at the hotel to receive the discounted registration rate. More information regarding hotel reservations can be found at www.menopause.org/2019-hotel.
