

## Your Company Is Invited to Become a Member of the 2019 NAMS Corporate Liaison Council

The North American Menopause Society (NAMS), now in its 30th year, is the leading nonprofit scientific organization dedicated to promoting the health and quality of life of all women during midlife and beyond through an understanding of menopause and healthy aging.

NAMS cordially invites all companies with a business interest in menopause and aging to become a member of the 2019 NAMS Corporate Liaison Council. This program fosters the interchange of ideas between companies and NAMS to further the Society's Mission. Membership dues are \$8,000 for 2019.

### ***Benefits of Membership***
