**Research Mentorship Program
Mentor Application (2024-2026)**

I would like to apply to serve as a Mentor in the 2024-2026 Research Mentorship Program of The Menopause Society. I attest that my Society membership is current for 2024, and I will renew my membership in 2025 and 2026. *Mentors must reside in North America.*

If selected, I agree to

- Attend the next two Society Annual Meetings: September 10-14, 2024 (Chicago, Illinois), and October 22-25, 2025 (Orlando, Florida).
- Meet with my Mentee during the 2024 Annual Meeting to discuss their project.
- Support and advise my Mentee on a menopause-related project. I understand that Mentees are responsible for securing funding for their projects. Any additional funding from my institution would be at my discretion.
- Work out a flexible schedule with my Mentee to communicate via email, and/or telephone, or in person at conferences or other mutually convenient locations.
- Work with my Mentee to 1) prepare an abstract for submission as an oral presentation or poster presentation at the 2025 Annual Meeting, and 2) submit a paper for publication in a peer-reviewed journal, preferably *Menopause*, the official journal of The Menopause Society, in 2026.

I am including a copy of my CV with this application.

My areas of interest are

- 1.) _____
- 2.) _____
- 3.) _____

My contact information

Name: _____ Date: _____

Affiliation: _____ City/State: _____
